**Credit offers cannot be combined. Offers subject to credit approval.**

Harbor Freight has already paid the interest on this purchase in advance. For each equal pay purchase of \$299 or more on a single receipt, no interest will be charged and equal monthly payments will be required on each equal pay purchase until it is paid in full. These payments equal the total equal pay purchase amount (including taxes and delivery) divided by the number of months in the equal pay period, rounded up to the next whole dollar. These payments may be higher than the payments that would be required if this was not an equal pay purchase. Any monthly payments shown in an advertisement in connection with this promotional offer do not include taxes and delivery since those amounts are not the same for every transaction. The equal pay monthly payment required should allow you to pay off the equal pay purchase within the equal pay period if (1) you make your payments by the due date each month and (2) this balance is the only balance on your account during the equal pay period. If you have other balances on your account, the equal pay monthly payment will be added to the minimum payment applicable to those balances. Late fees charged for not making a monthly payment by the due date will be assessed interest. Regular account terms apply to non-equal pay purchases. For new accounts: As of 6/1/2023 Variable Purchase APR is 29.99%. Minimum interest charge is \$2. This APR will vary with the market based on the prime rate. Existing cardholders: See your credit card agreement terms.

To qualify for this offer you must apply and be approved for a new Harbor Freight Tools Credit Card. One-time 10% off (excludes shipping and handling) will be applied at checkout to your first purchase with the card unless your purchase qualifies for and you choose an equal pay option, in which case you will forfeit the 10% offer.
